• major credit cards accepted  
• easy access to city with  
 plenty of free parking  
• relaxed visits focused  
 on you

### Financial & Payment Policy

We are committed to providing you with the best possible care and to creating a trusting partnership with you in your dental treatment. Please help us to serve you and other patients by keeping your scheduled appointments. As a courtesy to you, we attempt to confirm all appointments one business day in advance. In order to provide open time to others, we ask for 24 business hours notice for changes or cancellations to any appointments. **Our fee for a short notice cancellation and/or broken appointment is \$50.00.** Voicemail messages left over the weekend for a Monday cancellation will also be charged.

### FOR ALL PATIENTS:

We ask that you pay for our services at the time of treatment. To help you prepare for procedures other than routine treatment, we will prepare an estimate of your fees, including any estimated insurance payments. We accept MasterCard, Visa, Personal Checks, Money Orders and Cash. We also offer treatment financing through CareCredit to help pay for larger treatments.

### INSURED:

We will attempt to verify your coverage with your insurance company and will bill your insurance provider directly as a service to you. Although we estimate insurance payments as closely as possible based on the information received from insurance, you will be responsible for any fees for treatment incurred in our office not covered by your insurance.

### NON-INSURED:

If you are unable to pay in full at the time of service, credit is available to you upon credit approval with CareCredit. We do offer a 5% discount to Seniors and Non-Insured when paying with cash or check and when the balance is paid in full on the same day service is rendered.

Please ask if you have any questions about our fees, financial and appointment policy, or your responsibility at any time. Your clear understanding of our financial and appointment policies is important to our professional relationship. Thank You.
